Congratulations....!

Last few months of academic session 2022-2023 have been a period of full of activities, fun and frolic. Through this e_News letter, we are going to highlight several co-curricular and extracurricular activities and achievements of our institution. On one side the students leaped through academic activities like seminar, Hackathon, Conference, Industrial visit, Study tours and on the other side they unleashed their potentials in sports, NCC, Cultural Events throughout the period.

I have pride in giving a glimpse of all achievements of the students as well as accomplishment of the institution through this e_News letter "The SKCGC News Letter". I congratulate and appreciate all concerned for our success. Specially I am thankful to the team, who have worked hard for this news letter.

I look forward to help improve this News letter with your feedback and suggestion.
